

Trenton High's students and staff members have suffered the loss of another fine coach /teacher /counselor, Mr. Jack Castignola.

"Coach Jack" will be remembered for many years for what he has done for the students at Trenton High School and for the community of Trenton. He came to Trenton as a coach and teacher and after many successful years, left us still a coach and not only a teacher, but a fine counselor.

Mr. Castignola cared very much about "his kids". Whether they were athletes or counselees, he gave them everything he had to give. He used every tactic he could think of to get "his kids" to move to their highest potential.

His family was very dear to him. Doris, his wife, and his five children - John, Susan, Steven, Greg, and David - held the largest space in his big heart. He was a man of deep faith in his creator, always giving credit to Him first for the many successes he enjoyed.

Trenton High School will always hold a special place in its great collection of memories for this man, "Coach Jack".
